THIRD AMENDED AND RESTATED  
BYLAWS  
OF  
THE CHRISTENSEN FUND

ARTICLE I  
PRINCIPAL OFFICE

The principal office of this corporation shall be located in the State of California. This corporation also may have additional offices at such place or places either within or without the State of California as the Board of Trustees may determine from time to time.

ARTICLE II  
MEMBERSHIP

This corporation shall have no voting members. All rights that would otherwise vest in members shall vest in the Trustees of the corporation.

ARTICLE III  
DESIGNATORS

Section 1. Naming of Designators. The Designators referred to in these Bylaws shall be C. Diane Christensen and Karen Christensen. A Designator shall serve for life or until the Designator resigns or becomes incapacitated, as defined in Section 3 below. The Designators, or a sole remaining Designator, may appoint one or more individuals to serve as successor Designators in the event that any Designator ceases to serve for any reason. After the death, incapacity, or resignation of the last remaining Designator, without appointment of any successor Designator(s), all rights reserved to the Designators under these Bylaws shall be exercised by the Board of Trustees.

Section 2. Actions of Designators. Whenever there is more than one Designator, they shall hold the rights and powers granted in these Bylaws to the Designators jointly, and shall act by unanimous decision. All actions of the Designators shall be evidenced by a writing, signed by all of the Designators, delivered to an officer of this corporation, and filed by the Secretary with the proceedings of the Board of Trustees of this corporation. Any such writing may be signed in counterparts.

Section 3. Incapacity. A Designator's incapacity for purposes of these Bylaws shall be deemed to exist when it has been declared by a court of competent jurisdiction, or when a conservator for such Designator has been appointed, or upon execution of separate certificates by two physicians approved by the Board of Trustees and licensed to practice in the State of California or wherever such Designator may then reside, each certificate stating the doctor's opinion that such Designator is, by reason of advanced age, infirmity, mental or physical illness,

or other disability, unable adequately to provide for his or her personal needs or to manage his or her financial affairs. Additionally, any physician executing such a certificate must have examined the Designator prior to execution of the certificate. The effective date of such incapacity shall be the date of the decree adjudicating the incapacity, the date of the decree appointing the conservator, or the date of the second doctor's certificate, as the case may be.

Section 4. Waiver of Privilege. Each Designator, by signing below, hereby voluntarily waives any physician-patient privilege that may exist in such Designator's favor, and authorizes physicians to examine the Designator and disclose his or her physical or mental condition to this corporation in order to determine such Designator's incapacity or capacity for purposes of these Bylaws, as defined in Section 3 above.

Section 5. Authorization for Disclosure of Health Information. The Board of Trustees may request in writing that a Designator provide to the Secretary of this corporation an Authorization for Use or Disclosure of Health Information (an "Authorization") in the form then required by applicable federal and state law, including if applicable the Health Information Portability and Accountability Act of 1996, authorizing such Designator's physician to examine the Designator and to disclose his or her physical or mental condition to this corporation in order to determine such Designator's incapacity or capacity for the purposes of these Bylaws.

Section 6. Determination of Incapacity by the Board. If a Designator fails to provide the Authorization within thirty days of receiving a written request from the Board of Trustees, or if such Designator's physician refuses to honor such Authorization on the grounds that the Designator is not legally competent to execute an Authorization, the Board of Trustees may make a determination of such Designator's incapacity or capacity for the purposes of these Bylaws based on its evaluation of the Designator's physical and mental condition. Any determination by the Board of a Designator's incapacity shall be made by a majority of trustees then in office, not counting the Designator, if he/she is then serving as a trustee, and the effective date of such incapacity shall be the date of the Board's action.

- (2) trustees elected to replace a trustee who resigned will be elected to serve the unexpired portion of the term of the trustee they replace, and
- (3) upon a 2/3 majority vote of the existing trustees, or by unanimous written consent, a trustee may be elected to serve a shorter term should this be deemed necessary to equalize the relative sizes of the different classes of trustees.
- (4) upon a 2/3 majority vote of the existing trustees, or by unanimous written consent, a trustee may be elected to serve an additional one year at

the end of a five year term to hold a position as officer and/or take responsibility for an essential Board task for which no other Board member is suitable and/or available.

All trustees shall hold office until the expiration of their term and until a successor has been elected, or until he or she resigns or is removed. Each elected trustee may be elected to and serve for two consecutive full five year terms, provided (a) that no trustee may serve for more than two consecutive full five year terms without a one-year period during which such person may not serve as trustee, and (b) if a trustee returns after the one year, he/she can only serve for a single third and final five year term.

- C. Classes of Trustees. All elected trustees shall be grouped into five (5) classes. This is so that each year at the annual meeting the terms of trustees in one class, if any, shall expire. Upon his or her election, therefore, a new or replacement trustee shall automatically be placed into the Class containing trustees whose terms expire at the same time as the term of the new or replacement trustee.

Section 5. Vacancies. A vacancy shall be deemed to exist on the Board in the event that the actual number of trustees is less than the authorized number for any reason. Vacancies among designated trustees may be filled by the Designators for the unexpired portion of the term. Vacancies among elected trustees may be filled by the remaining trustees for the unexpired portion of the term.

Section 6. Resignation and Removal. Resignations shall be effective upon receipt in writing by the President, the Secretary, or the Board of Trustees of this corporation, unless a later effective date is specified in the resignation. The Board of Trustees, by a vote of a majority of the trustees then in office, may remove any trustee at any time, with or without cause, provided that any removal of a designated trustee shall also require the consent of the Designators.

Section 7. Annual Meetings. A meeting of the Board of Trustees shall be held at least once a year and shall be called by the President or any two trustees and noticed in accordance with Section 9. The last such Board meeting in a calendar year shall be and hereby is designated the "Annual Meeting."

Section 8. Special Meetings. Special meetings of the Board of Trustees may be called by the President or any two trustees, and noticed in accordance with Section 9.

Section 9. Notice. Notice of the annual meeting and any special meetings of the Board of Trustees shall be given to each trustee at least fourteen (14) days before any such meeting. Notice may be given by first-class mail, personal delivery, telephone, including a voice messaging system or other system or technology designed to record and communicate messages, telegraph, facsimile, or by other electronic transmission such as email, in compliance with Article X, Section 5, and shall state the date, place, and time of the meeting.

Section 10. Waiver of Notice. The transactions of any meeting of the Board of Trustees, however called and noticed and wherever held, shall be valid as though taken at a meeting duly held after proper call and notice, if a quorum is present, and if, either before or after the meeting, each of the trustees not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. All waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Notice of a meeting shall also be deemed given to any trustee who attends the meeting without protesting the lack of adequate notice before the meeting or at its commencement.

Section 11. Quorum. A majority of the total number of trustees then in office shall constitute a quorum, provided that in no event shall the required quorum be less than one-fifth of the authorized number of trustees or two trustees, whichever is larger. The act of a majority of the trustees present at a meeting at which a quorum is present shall be the act of the Board of Trustees, except as otherwise provided in Article III, Section 6 (determining Designator incapacity), Article IV, Sections 6 (removing trustees) and 12 (taking action without a meeting); Article V, Section 1 (appointing Board Committees); Article VII, Section 3 (approving self-dealing transactions); Article VIII, Section 2 (approving indemnification); and Article X, Section 6 (amending Bylaws), of these Bylaws or in the California Nonprofit Public Benefit Corporation Law. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of trustees, if any action taken is approved by at least a majority of the required quorum for such meeting.

Section 12. Action Without a Meeting. Any action required or permitted to be taken by the Board may be taken without a meeting if all members of the Board shall individually or collectively consent to such action in writing. Such written consents shall be filed with the minutes of the proceedings of the Board. Such written consents shall have the same force and effect as the unanimous vote of such trustees. All consents and board votes submitted electronically require unanimous consent for approval and must be recorded accordingly by the Secretary and included in the minutes of the next full Board Meeting.

Section 13. Telephone and Electronic Meetings. Trustees may participate in a meeting through use of conference telephone, electronic video screen communication, or other electronic transmission in compliance with Article X, Section 5 of these Bylaws, so long as all of the following apply:

- (a) each trustee participating in the meeting can communicate with all of the other trustees concurrently; and
- (b) each trustee is provided with the means of participating in all matters before the Board, including the capacity to propose, or to interpose an objection to, a specific action to be taken by the corporation.

Section 14. Standard of Care.

A. General. A trustee shall perform the duties of a trustee, including duties as a member of any Board Committee on which the trustee may serve, in good faith, in a manner such trustee believes to be in the best interest of this corporation and with such care, including reasonable inquiry, as an ordinarily prudent person in a like situation would use under similar circumstances.

In performing the duties of a trustee, a trustee shall be entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, in each case prepared or presented by:

- (i) one or more officers or employees of this corporation whom the trustee believes to be reliable and competent as to the matters presented;
- (ii) counsel, independent accountants, or other persons as to matters which the trustee believes to be within such person's professional or expert competence; or
- (iii) a Board Committee upon which the trustee does not serve, as to matters within its designated authority, provided that the trustee believes such Committee merits confidence;

so long as in any such case, the trustee acts in good faith after reasonable inquiry when the need therefore is indicated by the circumstances and without knowledge that would cause such reliance to be unwarranted.

Except as provided in Article VII below, a person who performs the duties of a trustee in accordance with this Section shall have no liability based upon any failure or alleged failure to discharge that person's obligations as a trustee, including, without limiting the generality of the foregoing, any actions or omissions which exceed or defeat a public or charitable purpose to which a corporation, or assets held by it, are dedicated.

B. Investments. Except with respect to assets held for use or used directly in carrying out this corporation's charitable activities, in investing, reinvesting, purchasing or acquiring, exchanging, selling, and managing this corporation's investments, the Board shall avoid speculation, looking instead to the permanent disposition of the funds, considering the probable income as well as the probable safety of this corporation's capital. No investment violates this section where it conforms to provisions authorizing such investment contained in an instrument or agreement pursuant to which the assets were contributed to this corporation.

Section 15. Inspection. Every trustee shall have the absolute right at any reasonable time to inspect and copy all books, records, and documents, and to inspect the physical properties of this corporation.

Section 16. Compensation. The Board of Trustees may authorize, by resolution, the payment to a trustee of reasonable compensation for services as a trustee. The Board may authorize the advance or reimbursement to a trustee of actual reasonable expenses incurred in carrying out his or her duties as a trustee, such as for attending meetings of the Board and Board Committees.

Section 17. Executive Compensation Review. The Board of Trustees (or a Board Committee) shall review any compensation packages (including all benefits) of the President or the chief executive officer and the Treasurer or chief financial officer, regardless of job title, and such other officers as may be required by law or which shall be so designated by resolution of the Board of Trustees from time to time, and shall approve such compensation only after determining that the compensation is just and reasonable. This review and approval shall occur when such officer is hired, when the term of employment of such officer is renewed or extended, and when the compensation of such officer is modified, unless the modification applies to substantially all of the employees of this corporation.

## ARTICLE V COMMITTEES

Section 1. Board Committees. The Board of Trustees may, by resolution adopted by a majority of the trustees then in office, create any number of Board Committees, each consisting of one or more Trustees and/or Board appointed advisors, to serve at the pleasure of the Board. Appointments to any Board Committee shall be by a majority vote of the trustees then in office. Board Committees may be given all the authority of the Board, except for the powers to:

- (a) set the number of trustees within a range specified in these Bylaws;
- (b) elect trustees or remove any trustee without cause;
- (c) fill vacancies on the Board of Trustees or on any Board Committee;
- (d) fix compensation of trustees for serving on the Board or any Board Committee;
- (e) amend or repeal these Bylaws or adopt new Bylaws;
- (f) adopt amendments to the Articles of Incorporation of this corporation;
- (g) amend or repeal any resolution of the Board of Trustees which by its express terms is not so amendable or repealable;
- (h) create any other Board Committees or appoint the members of any Board Committees;

- (i) approve any merger, reorganization, voluntary dissolution, or disposition of substantially all of the assets of this corporation; or
- (j) act outside of the scope of authority provided in the resolutions establishing such Board Committee.

Section 2. Advisory Committees. The Board of Trustees may establish one or more Advisory Committees to the Board. The members of any Advisory Committee may consist of trustees or non-trustees and may be appointed as the Board determines. Advisory committees may not exercise the authority of the Board to make decisions on behalf of this corporation, but shall be restricted to making recommendations to the Board or Board Committees, and implementing Board or Board Committee decisions and policies under the supervision and control of the Board or Board Committee.

Section 3. Audit Committee. For any tax year in which this corporation has gross revenues of \$2 million or more, this corporation shall have an Audit Committee whose members shall be appointed by the Board of Trustees, and who may include both trustees and non-trustees, subject to the following limitations: (a) members of the finance committee, if any, shall constitute less than one-half of the membership of the Audit Committee; (b) the chair of the Audit Committee may not be a member of the Finance Committee, if any; (c) the Audit Committee may not include any member of the staff, including the President or chief executive officer and Treasurer or chief financial officer; (d) the Audit Committee may not include any person who has a material financial interest in any entity doing business with this corporation; and (e) Audit Committee members who are not trustees may not receive compensation greater than the compensation paid to trustees for their Board service.

If the Audit Committee is composed and appointed as required by Section 1 above (concerning Board Committees), it shall be deemed a Board Committee on which the other trustees are entitled to rely as provided in Article IV, Section 14 of these Bylaws; otherwise, the Board of Trustees shall remain responsible for oversight and supervision of the Audit Committee as an Advisory Committee.

The Audit Committee shall: (1) recommend to the Board of Trustees the retention and, when appropriate, the termination of an independent certified public accountant to serve as auditor, (2) negotiate the compensation of the auditor on behalf of the Board, (3) confer with the auditor to satisfy the Audit Committee members that the financial affairs of this corporation are in order, (4) review and determine whether to accept the audit, (5) review and approve the annual Form 990-PF filing with the IRS and provide that filing to the Board of Trustees for its review, and (6) approve performance of any non-audit services provided to this corporation by the auditor's firm.

Section 4. Meetings.

A. Of Board Committees. Meetings and actions of Board Committees shall be governed by and held and taken in accordance with the provisions of Article IV of these Bylaws

concerning meetings and actions of the Board of Trustees, with such changes in the content of those Bylaws as are necessary to substitute the Board Committee and its members for the Board of Trustees and its members. Minutes shall be kept of each meeting of any Board Committee and shall be filed with the corporate records.

B. Of Advisory Committees. Subject to the authority of the Board of Trustees, Advisory Committees may determine their own meeting rules and whether minutes shall be kept.

The Board of Trustees may adopt rules for the governance of any Board or Advisory Committee not inconsistent with the provisions of these Bylaws.

## ARTICLE VI OFFICERS

Section 1. Officers. The officers of this corporation shall be a President, an Executive Director, Chair, a Secretary, a Treasurer, and a Chief Financial Officer. The corporation may also have, at the discretion of the trustees, such other officers as may be appointed by the Board of Trustees. Any number of offices may be held by the same person, except that neither the Secretary nor the Treasurer may serve concurrently as the President.

Section 2. Election. The officers of this corporation shall be elected annually by the Board of Trustees, and each shall serve at the pleasure of the Board, subject to the rights, if any, of an officer under any contract of employment, except that if the Board has elected a Chair, the term of the Chair shall be a two-year term with an option to renew for two more years and with a maximum term of consecutive service of four years. Upon a 2/3 majority vote of the existing trustees, or by unanimous written consent, a Chair may be elected to serve an additional one year at the end of a four year term to take responsibility for an essential Board task for which no other Board member is suitable and/or available.

Section 3. Removal. Subject to the rights, if any, of an officer under any contract of employment, any officer may be removed, with or without cause, by the Board of Trustees or by an officer on whom such power of removal may be conferred by the Board of Trustees.

Section 4. Resignation. Any officer may resign at any time by giving written notice to this corporation. Any resignation shall take effect on receipt of that notice by any other officer than the person resigning or at any later time specified by that notice and, unless otherwise specified in that notice, the acceptance of the resignation shall not be necessary to make it effective. Any resignation is without prejudice to the rights, if any, of this corporation under any contract to which the officer is a party.

Section 5. Vacancies. A vacancy in any office for any reason shall be filled in the same manner as these Bylaws provide for election to that office.

Section 6.

President. The President shall be elected from among the trustees of this corporation and shall have such other powers and duties as may be prescribed by the Board or these Bylaws.

Section 7. Executive Director. The Executive Director shall be the chief executive officer of this corporation and shall, subject to the control of the Board, generally supervise, direct and control the business of this corporation. The Executive Director shall have the general powers and duties of management usually vested in the office of the chief executive officer of the corporation and shall have such other powers and duties as may be prescribed by the Board or these Bylaws. The Executive Director shall not serve as a member of the Board of Trustees.

Section 8. Chair. The Chair shall be elected from among the trustees of this corporation and shall have such other powers and duties as may be prescribed by the Board or these Bylaws. The Chair or her or his designee shall preside at all meetings of the Board of Trustees.

Section 9. Secretary. The Secretary shall supervise the keeping of a full and complete record of the proceedings of the Board of Trustees and its committees, shall supervise the giving of such notices as may be proper or necessary, shall supervise the keeping of the minute books of this corporation, and shall have such other powers and duties as may be prescribed by the Board or these Bylaws.

Section 10. Treasurer. The Treasurer shall oversee and supervise the performance of the duties and responsibilities of the Chief Financial Officer of this corporation, and shall have such other powers and duties as may be prescribed by the Board or these Bylaws. The Treasurer shall be elected from among the trustees of this corporation.

Section 11. Chief Financial Officer. The Chief Financial Officer of this corporation shall oversee the charge and custody of all funds of this corporation, the deposit of such funds in the manner prescribed by the Treasurer and the Board of Trustees, and the keeping and maintaining of adequate and correct accounts of this corporation's properties and business transactions, shall render reports and accountings as required, and shall have such other powers and duties as may be prescribed by the Board or these Bylaws. The Chief Financial Officer shall not serve as a member of the Board of Trustees.

## ARTICLE VII CERTAIN TRANSACTIONS

Section 1. Loans. Except as permitted by Section 5236 of the California Nonprofit Public Benefit Corporation Law, this corporation shall not make any loan of money or property to, or guarantee the obligation of, any trustee or officer; provided, however, that this corporation may advance money to a trustee or officer of this corporation or any subsidiary for expenses reasonably anticipated to be incurred in performance of the duties of such trustee or officer so

long as such individual would be entitled to be reimbursed for such expenses absent that advance.

Section 2. Self-Dealing Transactions. Except as provided in Section 3 below, the Board of Trustees shall not approve, or permit the corporation to engage in, any self-dealing transaction. A self-dealing transaction is a transaction to which this corporation is a party and in which one or more of its trustees has a material financial interest, unless the transaction comes within California Corporations Code Section 5233(b).

Section 3. Approval. This corporation may engage in a self-dealing transaction if the transaction is approved by a court or by the Attorney General. This corporation may also engage in a self-dealing transaction if the Board determines, before the transaction, that (a) this corporation is entering into the transaction for its own benefit; (b) the transaction is fair and reasonable to this corporation at the time; and (c) after reasonable investigation, the Board determines that it could not have obtained a more advantageous arrangement with reasonable effort under the circumstances. Such determinations must be made by the Board in good faith, with knowledge of the material facts concerning the transaction and the trustee's interest in the transaction, and by a vote of a majority of the trustees then in office, without counting the vote of the interested trustee or trustees.

Where it is not reasonably practicable to obtain approval of the Board before entering into a self-dealing transaction, a Board Committee may approve such transaction in a manner consistent with the requirements above; provided that, at its next meeting, the full Board determines in good faith that the Board Committee's approval of the transaction was consistent with the requirements above and that it was not reasonably practical to obtain advance approval by the full Board, and ratifies the transaction by a majority of the trustees then in office without the vote of any interested trustee.

Section 4. Compliance with Private Foundation Rules. Any provision of these Bylaws or the Articles of Incorporation of this corporation to the contrary notwithstanding, so long as this corporation is deemed to be a "private foundation" as defined in Section 509 of the Internal Revenue Code of 1986, as amended (the "Code"), this corporation:

- (a) shall distribute its income for each taxable year (and principal, if necessary) at such time and in such manner as not to subject this corporation to tax under Section 4942 of the Code;
- (b) shall not approve of, or engage in, any act of self-dealing as defined in subsection (d) of Section 4941 of the Code;
- (c) shall not retain any excess business holdings as defined in subsection (c) of Section 4943 of the Code;
- (d) shall not make any investments in such a manner as to subject this corporation to tax under Section 4944 of the Code; and

- (e) shall not make any taxable expenditure as defined in subsection (d) of Section 4945 of the Code.

## ARTICLE VIII INDEMNIFICATION AND INSURANCE

Section 1. Right of Indemnity. To the fullest extent allowed by Section 5238 of the California Nonprofit Public Benefit Corporation Law, this corporation may indemnify and advance expenses to its agents, in connection with any proceeding, and in accordance with Section 5238. For purposes of this Article, “agent” shall have the same meaning as in Section 5238(a), including trustees, officers, employees, other agents, and persons formerly occupying such positions; “proceeding” shall have the same meaning as in Section 5238(a), including any threatened action or investigation under Section 5233 or brought by the Attorney General; and “expenses” shall have the same meaning as in Section 5238(a), including reasonable attorneys’ fees.

Section 2. Approval of Indemnity. On written request to the Board of Trustees in each specific case by any agent seeking indemnification, to the extent that the agent has been successful on the merits, the Board shall promptly authorize indemnification in accordance with Section 5238(d). Otherwise, the Board shall promptly determine, by a majority vote of a quorum consisting of trustees who are not parties to the proceeding, whether, in the specific case, the agent has met the applicable standard of conduct stated in Section 5238(b) or Section 5238(c), and, if so, may authorize indemnification to the extent permitted thereby.

Section 3. Advancing Expenses. The Board of Trustees may authorize the advance of expenses incurred by or on behalf of an agent of this corporation in defending any proceeding prior to final disposition, if the Board finds that:

- (a) the requested advances are reasonable in amount under the circumstances; and
- (b) before any advance is made, the agent will submit a written undertaking satisfactory to the Board to repay the advance unless it is ultimately determined that the agent is entitled to indemnification for the expenses under this Article.

The Board shall determine whether the undertaking must be secured, and whether interest shall accrue on the obligation created thereby.

Section 4. Insurance. The Board of Trustees may adopt a resolution authorizing the purchase of insurance on behalf of any agent against any liability asserted against or incurred by the agent in such capacity or arising out of the agent’s status as such, and such insurance may

provide for coverage against liabilities beyond this corporation's power to indemnify the agent under law.

## ARTICLE IX GRANTS ADMINISTRATION

Section 1. Purpose of Grants. This corporation shall have the power to make grants and contributions and to render other financial assistance for the purposes expressed in this corporation's Articles of Incorporation.

Section 2. Board of Trustees Oversight. The Board of Trustees shall exercise itself, or delegate, subject to its supervision, control over grants, contributions, and other financial assistance provided by this corporation. The Board shall approve a policy for reviewing and approving or declining all requests for funds made to this corporation, which shall require such requests to specify the use to which the funds will be put, and include a mechanism for regular Board review of all grants made. The Board shall similarly approve a policy for authorizing payment of duly approved grants to the approved grantee.

Section 3. Refusal; Withdrawal. The Board of Trustees, in its absolute discretion, shall have the right to refuse to make any grants or contributions, or to render other financial assistance, for any or all of the purposes for which the funds are requested. In addition, the Board, in its absolute discretion, shall have the right to withdraw its approval of any grant at any time and use the funds for other purposes within the scope of the purposes expressed in this corporation's Articles of Incorporation, subject to any rights of third parties under any contract relating to such grant.

Section 4. Accounting. The Board of Trustees shall determine under what circumstances to require that grantees furnish a periodic accounting to show that the funds granted by this corporation were expended for the purposes that were approved by the Board.

Section 5. Restrictions on Contributions. This corporation shall retain complete control and discretion over the use of all contributions it receives, subject only to any charitable trust restrictions that apply to such contributions, and all contributions received by the corporation from solicitations for specific grants shall be regarded as for the use of this corporation and not for any particular organization or individual mentioned in the solicitation. This corporation may accept contributions earmarked by the donor exclusively for allocation to one or more foreign organizations or individuals only if the Board of Trustees of this corporation has approved in advance the charitable activity for which the donation was made.

## ARTICLE X MISCELLANEOUS

Section 1. Fiscal Year. The fiscal year of this corporation shall end each year on December 31.

Section 2. Contracts, Notes, and Checks. All contracts entered into on behalf of this corporation must be authorized by the Board of Trustees or the person or persons on whom such power may be conferred by the Board from time to time, and, except as otherwise provided by law, every check, draft, promissory note, money order, or other evidence of indebtedness of this corporation shall be signed by the the person or persons on whom such power may be conferred by the Board from time to time.

- (e) any transaction during the previous fiscal year involving fifty thousand dollars (\$50,000) or more between this corporation and any of its trustees or officers, or any of a number of such transactions in which the same person had a direct or indirect material financial interest, and which transactions in the aggregate involved more than \$50,000, as well as the amount and circumstances of any indemnifications or advances aggregating more than ten thousand dollars (\$10,000) paid during the fiscal year to any trustee or officer of this corporation. The report must disclose the names of the interested persons involved in such transaction, stating such person's relationship to this corporation, the nature of such person's interest in the transaction and, where practicable, the value of such interest.

The foregoing report shall be accompanied by any report thereon of independent accountants or, if there is no such report, the certificate of an authorized officer of this corporation that such statements were prepared without an audit from the books and records of this corporation. The

report and any accompanying material may be sent by electronic transmission in compliance with Article X, Section 5 of these Bylaws.

Section 4. Required Financial Audits. This corporation shall obtain a financial audit for any tax year in which it receives or accrues gross revenue of \$2 million or more, excluding grant or contract income from any governmental entity for which the governmental entity requires an accounting. Whether or not they are required by law, any audited financial statements obtained by this corporation shall be made available for inspection by the Attorney General and the general public within nine months after the close of the fiscal year to which the statements relate, and shall remain available for three years (1) by making them available at this corporation's principal, regional, and district offices during regular business hours and (2) either by mailing a copy to any person who so requests in person or in writing or by posting them on this corporation's website.

Section 5. Electronic Transmissions. Unless otherwise provided in these Bylaws, and subject to any guidelines and procedures that the Board of Trustees may adopt from time to time, the terms "written" and "in writing" as used in these Bylaws include any form of recorded message in the English language capable of comprehension by ordinary visual means, and may include electronic transmissions, such as facsimile or email, provided (i) for electronic transmissions from the corporation, the corporation has obtained an unrevoked written consent from the recipient to the use of such means of communication; (ii) for electronic transmissions to the corporation, the corporation has in effect reasonable measures to verify that the sender is the individual purporting to have sent such transmission; and (iii) the transmission creates a record that can be retained, retrieved, reviewed, and rendered into clearly legible tangible form.

Section 6. Amendments. Proposed amendments to these Bylaws shall be submitted in writing to the trustees at least one week in advance of any Board meeting at which they will be considered for adoption. The vote of a majority of the trustees then in office or the unanimous written consent of the trustees shall be required to adopt a bylaw amendment, except that no amendment to Article III or to Sections 4, 5, 6 of Article IV of these Bylaws shall be valid or become effective without the prior written consent of the Designators.
